

## Voice Acting Information for:

Clifford Chapin

E-mail : [clifford.chapin@gmail.com](mailto:clifford.chapin@gmail.com)

Location : U.S. – Dallas, Texas

Clifford has been making voices since he was a child, imitating anything from the actors on tv to the animals in his own home. He studied radio and television production in high school while interning at a local television station where he acquired his first taste of working behind a microphone. Clifford graduated from college with two degrees in film production and speech communication, where he also took acting classes to most fine-tune his craft. Currently Clifford works freelance, providing voices to several iPad Apps, independent video games, instructional videos, and much more!

Feel free to contact Clifford regarding voice acting for your projects!
