

## Voice Acting Information for :

Edwyn Tiong

*I'm an overweight Asian man with goldfish bowls for eyes and a Blue Yeti microphone and I'm not afraid to use one or the other to do my voice acting! Mostly the microphone, though.*

Accents (you don't have to put this): Unidentifiably American - perhaps New England?

Bio (use 3<sup>rd</sup> person cause it's all fancy): Edwyn first started voice acting for online projects in 1999 and hasn't looked back since. He has seen what was once a niche hobbyist pursuit grow into a burgeoning industry unto itself - and he likes it! Especially the monies. Monies are awesome. And honing one's acting craft and skill. But mostly monies.

You may have heard his voice in a variety of online productions including *Xin*, *8-Bit Theater Flash Adaptation*, *Megaman Zero: The Last Cataclysm*, *Super Freakin Parody Rangers*,

*Drowtales* animations, *Sonic: Nazo Unleashed*, *Bad Atom*, *Smashtasm*, *Deus Ex: The Nameless Mod*, *Wonders of the Universe*, *Oddball*, *Ace Pilot*, *Guinea Something Good*, *Wing Commander Saga: The Darkest Dawn*, *The Journey Down: Chapter 1* and most infamously as Dan McNeely in the *Trapped* pentalogy of games. When he's not busy voice acting, he's busy producing (and voicing) works such as the *Drowtales* audiobooks, the *VG Cats Adaptation With No Name* series and the *i fail game* videogame commentary series.

He is currently finishing up principle recording on the iOS game *Detective Grimoire: Secret of the Swamp* and will be several character voices in Paradox Interactive's upcoming game *Dungeonland* and a voice in the Xbox Live Arcade game *Dust: An Elysian Tail*.

Feel free to Contact Edwyn regarding voice acting for your projects! Just don't forget your huge sacks of monies to pour on his person!
